Read Adam’s post about his new style. Answer the questions.

I used to wear jeans and a T-shirt every day. I didn't like dressing up or going shopping. Then I met my girlfriend, Maria. She loves fashion. She buys new clothes every week. One day, she said, 'Let's try to change your style.' We went to a big shop and we tried on lots of different things. I can't say it was easy, hah. Finally, Maria chose formal pants with a casual sweater for me. The pants were grey and the sweater was red. At first, I thought it looked terrible but then I looked in the mirror and I liked it! The colour of the sweater really suited me. I bought some black shoes to match with the outfit. Maria also helped me choose some other clothes. Now I have a lot of new clothes. I have a green jacket and a white shirt. I have a blue sweater and some brown pants. I have a black hat and a yellow scarf! Now I look great! I love fashion and I even love shopping! I'm pretty stylish now - just like Harry Styles! Or almost like him...
