- 1 Look at the picture. Do you know this couple and their story? Brainstorm in small groups and then share your ideas with the rest of the class:**

What are the challenges of maintaining a relationship when both partners are athletes, actors, or musicians with busy schedules?

- 2 Read the text about Tara Davis and Hunter Woodhall and choose the correct answer to each question below.**

Tara Davis and Hunter Woodhall shined at the 2024 Paris Olympics, but their love story began simply when they met at a high school track meet in 2017.

From meeting to handling a long-distance relationship during college, Davis and Woodhall have faced many challenges in sports. Through talking often, trust, and respect, they stayed together, got married in 2022, and competed again at the 2024 Paris Olympics.

Davis is famous for her long jump and hurdles, while Woodhall is a well-known Paralympic medalist. Born without fibulas, leading to his lower legs being amputated at 11 months, Woodhall has set records and inspired many with his strength and determination.

Their relationship shows strong support and shared dreams, as seen by many who watch their YouTube channel about their life as a couple and athletes.

hurdles - obstacles that runners must jump over during a race, requiring speed and agility.

fibulas - the two long bones in the lower leg that help support the body and allow movement.

amputated - to have a part of the body surgically removed, often due to injury or disease.
